

Congratulations! This letter confirms your acceptance to the Mercer University Girls Soccer Individual Camp, July 24th-27th.

The Mercer University Women's Soccer Program is striving to be a nationally successful NCAA Division I program. This past fall, we continued the big strides we took in 2007 towards that lofty goal by winning the Atlantic Sun Regular Season Championship for the first time in school history! We also ended the year as the 6th ranked team in the country for goals against average and were regionally ranked by Soccer Buzz.

We are proud you have chosen our camp. I hope we will be able to share with you a little piece of the excitement within our up and coming soccer program. We will also endeavor to give you a glimpse of our well-respected university, highlighted by its strong academics and beautiful campus.

Some quick information is listed below. Directions and more specific information will be sent prior to camp.
